

April 1, 1974

I'm not doing it on a unanimous consent basis. I see nothing wrong with this procedure, does anybody? You understand what I'm saying? That on Select File, where we are now, we have the appropriation bills. We will consider the operating budget which is LB1054, 1057 and 1059 first. They're all up there on Select File. Immediately following that, we will consider the construction budget, the reason being that the operating budget has to be passed. Does anybody see anything wrong with that? I'm not letting Senator Carpenter do this on unanimous consent. I'm ordering it. So ordered. We'll proceed then with LB1054.

CLERK: Now, Mr. President, the next amendment is again offered by Senator Carpenter. It's found set out in full.....

SENATOR CARPENTER: I ask unanimous consent to withdraw it.

CLERK: This is amendment number ten.

PRESIDENT: Whose amendment is that?

CLERK: By Senator Carpenter.

PRESIDENT: Senator Carpenter.

CLERK: He just withdrew it.

SENATOR CARPENTER: I asked unanimous consent....

PRESIDENT: You withdrew that one?

SENATOR CARPENTER: Yes.

PRESIDENT: Well, he can withdraw that one on his own motion so it is withdrawn.

CLERK: Mr. President, amendment number eleven offered by Senator Kennedy. Found on page 1322 of the Legislative Journal.

PRESIDENT: Senator Kennedy.

SENATOR KENNEDY: Mr. President, fellow members. I ask unanimous consent to withdraw that amendment. I think we did take care of that....

PRESIDENT: Your request is to withdraw it? Under the rules, you have the right to do it. It's withdrawn. Any further amendments?

CLERK: Yes. Amendment number twelve, Mr. President, offered by....I don't have a signature....Senator Barnett, found on page 1322.
